EDUCATION

Zeal College of Engineering and Research

Pune, MH

Bachelor of Engineering in Information Technology (SPPU)

Aug. 2023 – June 2027 (Expected)

PROFILE

Aspiring Full-Stack Web Developer and IT Engineering student with hands-on experience in modern web technologies. Skilled in building responsive, database-driven web applications and RESTful APIs using Django/Flask and SQL. Additionally proficient in data analysis and machine learning using Python, Scikit-Learn, and feature engineering.

ACCOMPLISHMENTS

- Developed full-stack web applications integrated with REST APIs and SQL databases.
- Integrated data analysis and ML models into functional web-based solutions.
- Performed data preprocessing, Exploratory Data Analysis (EDA), and visualization for real-world datasets.
- Maintained clean code standards and version control using Git and GitHub.

PROJECTS

Movie Recommendation System | *Python, Machine Learning, Pandas, Scikit-learn*

Jan. 2026

- Developed a machine learning-based system to recommend movies based on user preferences and historical ratings.
- Utilized Content-Based Filtering and Collaborative Filtering algorithms to enhance recommendation accuracy.
- Processed and cleaned datasets using Pandas and visualized data trends with Matplotlib/Seaborn.

Car Booking System | *HTML, CSS, JavaScript, Bootstrap, Full-stack*

Dec. 2025

- Built a responsive full-stack web application for seamless car rental and booking services.
- Implemented a user-friendly frontend interface using Bootstrap for mobile responsiveness.
- Managed dynamic data handling and user authentication to ensure a secure booking process.

TECHNICAL SKILLS

Languages: Java, Python, C/C++, SQL (Postgres), HTML5, CSS3, JavaScript, R

Data Science & ML: Pandas, NumPy, Scikit-Learn, Matplotlib, Seaborn, Feature Engineering, Predictive Modeling

Web Development: Flask, REST APIs, Bootstrap, Responsive Web Design

Databases: MySQL, PostgreSQL, Database Design & Normalization

Tools & Control: Git, GitHub, Jupyter Notebooks, VS Code

CERTIFICATIONS

Oracle Certified Professional: OCI 2025 Data Science Professional & Generative AI Professional (Aug 2025)

TechSaksham (Microsoft & SAP): Foundation Course on IR4.0 Technologies (Feb 2025)

LANGUAGES

Professional Proficiency: English, Hindi

Native: Marathi

INTERESTS & ACTIVITIES

Technical Hobbies: Developing personal web projects, participating in online coding challenges

Research Interests: Exploring AI, Data Science, and Cloud Platforms
